Food:

"Food creates a sense of community"

"This is what happens everyday around American family tables"

Dining Services

For the love of food!

Vision

Our culinary expertise and passion for food
radiates to our customers who
feel the care in each and every recipe.

- Culinary is the foundation of our Dining program
  and the basis for our other four strategies:
  Wellness, Value, Efficiency, and Facilities.
- Culinary is the *art* of preparing and cooking foods.
  Culinary artists are responsible for skillfully preparing meals
  that are as pleasing to the palate as to the eye.
