Parking Rules and Regulations

Responsibility is placed on me to park where I am authorized under the Parking Rules and Regulations of the State University of New York College at The College at Brockport and the following stipulations are agreed upon:

1. General regulations: All persons operating motor vehicles on The College at Brockport campus are responsible for knowing and understanding the rules, regulations and policies for parking on campus. Ignorance of the contents of these rules is neither excuse nor extenuation for violations.
2. A parking permit carries no guarantee or liability of the College to provide the holder at any given time with a parking space. The College cannot accept any responsibility for damage to or theft of any motor vehicle or its contents while parked on campus.
3. All vehicles considered to be illegally operated and/or parked will be subject to a charge and/or being towed away or immobilized at the driver's expense.
4. This parking permit is non-transferable to any other vehicle (unless properly registered with Welcome Center & Parking Services) or for another person's use. I understand the hangtag must properly be displayed from the rear-view mirror of my vehicle at all times while parked on campus. My parking privileges may be suspended if I share my permit with another person.
5. If I fail to transfer my hangtag from vehicle to vehicle, I must obtain a temporary pass. This courtesy will be extended the first two times free of charge. After that a fee will be imposed.
6. I understand that I am liable for all violations issued against this parking permit(s). The use of payroll deduction for faculty/staff will be used as a means of collecting past due fines. I further understand the use of a collection agency will be used if deemed appropriate.
7. All information given on this document is correct to the best of my knowledge.
8. I understand that if I wish to request a refund there is a deadline to do so. The permit **MUST** be returned. The registration fee is non-refundable. For lost or misplaced permits a replacement fee may be assessed.

I have read and understand the above:
